1. Verify connectivity to eduroam.
    a. Note: Connect to eduroam with your UMB student login (UMID@umaryland.edu)

2. Open File Explorer [icon] and click into the address bar (see screenshot).
    a. Type: \\law-clinicprint.law.umaryland.edu
    b. Click **"Enter"**. If prompted for a username/password enter in your full *clinic* email address/password and click **"OK"**
    c. The list of available printers will then display

3. Right click the desired printer and click "Connect". The first 3 digits of the printer's name is the practice office room number, e.g., if you are in room 305, choose the printer 305.M430.
    a. If prompted for a username/password enter in your full *clinic* email address (UMID@clinic.law.umaryland.edu)/password, check the box "Remember my password" and click **"OK"**
    b. If driver will not download check wireless connection and ensure you're connected via a UMB Student account

4. Open document and print.
