Please check each statement and sign below:

- All courses that are not successfully completed must be reported to the Veterans Administration (VA). Any change in your registration (add/drop/withdraw/audit) must be reported to the Office of Registration and Enrollment.  
**Please note that the VA will give you the opportunity to explain why you were unable to successfully complete any course(s). Based on this information, the VA will either accept the explanation and allow payment of benefits up to the date of the drop/withdrawal/failure or terminate your benefits for the course(s), effective on the first day of the semester creating an overpayment.**
- You must attend classes on a regular basis. If you stop attending class, you must officially drop the course(s) and notify the Office of Registration and Enrollment of the change in status.
